Re: File Number Change - Petrified Tree #8, S/019/033, Grand County, Utah

Dear Mr. VanHorn:

This letter is to advise you that it has come to our attention that we inadvertently assigned the Petrified Tree #8 a file number in San Juan County instead of Grand County. We are correcting this error by reassigning our file number to Grand County (S/019/033 instead of S/037/062). Would you please correct your files to represent this new number for this project.

Sincerely,

Joelle Burns
Minerals Secretary
